“...still other seed fell on good soil.

It came up and yielded a crop...”

**Luke 8:8**

These words from the parable of the Sower are a good illustration of what has taken place over the past year and a half as the Church of God in Cote d'Ivoire has begun a new work in Burkina Faso. Many seeds have been sown in different types of hearts much of which seem to not have borne fruit. However, we are thankful for those who have allowed the seed to take root and are growing in their faith. Please continue to prayer for these persons who have had many trials in allowing their roots to be firmly grounded.

*A Call to Prayer* for Burkina Faso is designed to inform and update interested persons in the progress of this new church plant. This will be the 14<sup>th</sup> trip in which persons have been

sent into Burkina Faso from Cote d'Ivoire to evangelize, encourage and teach.

One of our main prayers has been to find the person the Lord wants to lead the new work on a more permanent basis. We are pleased that we have a Pastor who has committed to be in Burkina Faso from July through September. Please be in prayer for God's will to be known in this matter.

### **Prayer Requests:**

- ❖ **Ample and quality time to teach the new believers.**
- ❖ **New believers as they face trials.**
