Burkina Faso

Yes, You did just receive **“A Call to Prayer”** this week. However we wanted to inform you that the Lord has answered one of our most urgent needs for the Church of God in Burkina Faso. For over 1 year we have asked you to prayer for a Pastor to be called to this work on a permanent basis. We are thrilled to share with you that **GOD HAS PROVIDED** a Pastor who is ready to **GO!**

Pastor Moise from the Church of God in Tortiya, Cote d’Ivoire along with his wife and younger daughter, Ruth will be heading out this week-end to return to Bobo-Dioulasso. This time they will be staying for 1 year. The congregation in Tortiya has given their stamp of approval!

Please join us in Thanking the Lord for what HE has done on behalf of the Church of God in Burkina Faso. We are very Thankful for Pastor Yassia who has been in Bobo-Dioulasso during the months of September-October. He has worked to get a new literacy class going which now has 10 students faithfully coming in order to learn to read and write.

PRAYER CONCERNS:

- Pastor Moise and family as they travel back to Bobo-Dioulasso the 15th of October.
- Continued growth among the new believers.
- For new believers to be faithful to meet together.
- Literacy classes would be effective in helping people learn to read God’s Word.
- Pastor Moise’s older children as they stay in Cote d’Ivoire.

Please note we are making a change in the title of

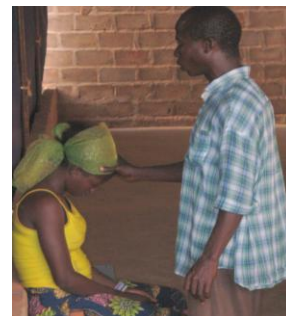

this publication. We have moved from “Operation” to “Cultivation” as this ministry enters a new phase. **Praise the Lord!**
