

A Call to Prayer

Burkina Faso: Cultivation

Target City: Bobo-Dioulasso

Subdivision: Belleville

January – February 2011

Team: Pastor Moïse and his wife, Tiekpel and their daughter, Ruth (Ruthie)

Burkina Faso

“Pastor Larry, the work is really hard here in Bobo Dioulasso. It is not going the way I would like it to go!” replied Pastor Moïse. These words reveal Pastor Moïse’s burden for the people of Bobo-Dioulasso to know Jesus Christ. Pastor Moïse is up and out early visiting people in the community along with the Christians before they head off to work. These words also show us how much prayer is needed for this resistant part of the world. Pastor Moïse needs us to stand with him in our prayers as he continues to be the light of Jesus to the people of Bobo-Dioulasso.

Larry and LeAnn were able to visit Pastor Moïse and the new church plant in late January. They encouraged Pastor Moïse to continue sowing the Word and let God bring the fruit! They also encouraged those in Literacy, held English conversation with High School students, and trained upcoming leaders in the area of finances. They also were able to make a quick trip to the capital, Ouagadougou, to explore future prospects.

With the regular presence of Pastor Moïse and family, we are in need of \$320 per month to maintain them in Bobo-Dioulasso. At present there are no funds on hand for his next month’s support. We ask you to please pray with us for God’s provision to help this new work and perhaps consider how God might want to use you to help meet this need.
