Happy 5th Birthday, C of P!

From nine children sponsored in September 2016 to 45 children sponsored today, we are so thankful to the Lord for these five years of “Les Enfants de Promesse” in Côte d'Ivoire! Our five-year birthday parties took place while a team of four (two C of P staff, two sponsor volunteers) from the U.S. visited our three sites and interviewed each sponsored child.

Our new site in Yamoussoukro just launched this fall as we trained five new volunteers, and we received the first child applications from this site in October. Join us in praying for each of the children and for continued commitment and investment from our local volunteers. Thank you for sending us to Côte d'Ivoire to help launch C of P and for sponsoring children so they can know the love of Christ!

Children of Promise as a global program turns 30 years old in 2022! To celebrate, our goal here in Côte d'Ivoire is to see 30 more children sponsored by December 2022! We'll update you in each newsletter on our progress.

What are you doing this Wednesday?

Join us for a LIVE update straight from Côte d'Ivoire each Wednesday at 10 a.m. Eastern (7 a.m. Pacific) on Facebook. Follow our ministry page entitled "The Mihsills - Missionaries to Côte d'Ivoire" and you'll see the live video each week! Don't worry — if you miss the live video, you can catch the recording posted on the page afterward.

We are fully funded! We thank the Lord for providing and for each of you who have answered the call to partner with us.
Thank you!

National Youth Camp

The CHOG National Youth Camp was held in the central city of Bouaké in August. We were happy to have the opportunity to attend their Sunday morning service (*pictured left*) in which one of the young men shared about generosity and giving. A young pastor gave a powerful word after the sermon about the way God has provided, giving examples of CHOG youth who have been faithful and have gone on to become construction managers, electricians, pastors, and more. God has provided! Bobby had the opportunity to share briefly about his own salvation experience at youth camp as a young adult and how God has led us here to Côte d'Ivoire. Praise (and pray!) for these youth as they grow in their faith.

Good Moments, Difficult Moments

Moore and Rease started a new school year in September at French school with Moore in CE2 (3rd grade) and Rease's first time in school starting moyenne section (pre-school). They are pictured here (*left*) with their school uniforms and a lot of excitement!

In the early morning on Sunday, Nov. 7, Bobby's dad (*pictured right*) suddenly became very ill in India. We were able to talk with him briefly on video chat before he passed away on his way to the hospital. Bobby is currently in

India with his mom, brother and family, and other extended family as they grieve and spend time together remembering his father. Thank you for your prayers during this difficult time.
