To Honor the King

All that we do in Côte d'Ivoire is for the purpose of honoring the King of Kings who came to earth as a baby! Join us this Advent season in thanking Jesus for coming to earth to live among us and to save us. Merry Christmas!

During this Advent season, we thank the Lord that He is moving in the lives of children. On December 1, our newest Children of Promise site had their second distribution, adding three newly sponsored children to the program (pictured left). During the teaching time,

they huddled around the Illustrated Bible (pictured right), and newly sponsored children were thrilled to receive their own Bibles along with the monthly distribution of food and hygiene items. May these children grow in faith and live to honor the King!

YEP Project: Making a Move

YEP (Yamoussoukro Events Place) has started to move! The first 3-wheeler (pictured right) was purchased with project funds thanks to generous partners in the U.S. The tent (pictured left) was purchased by the local Ivorian churches. Both will be rented out to create income for national church ministries in working

toward self-sustainability. Pray that this project will really move! For more info or to give financially, call Global Strategy at 800-848-2464 and ask about YEP (project #42.30181).
