Time to Celebrate

In December, all sponsored children with Children of Promise received a special Christmas gift of a new outfit. In addition, they also received their regular distribution of food, educational services, and health care funds.

The sponsored children from Korhogo, the program in the northern part of Côte d'Ivoire, are pictured below in their new Christmas clothes with the items from the December distribution.

When the program launched in September 2016, there were nine children sponsored. Today, there are 15 children sponsored, and next month, more children will join the program!

Partnership Need: Will you help us continue to carry out the call to serve in Côte d'Ivoire? **We are currently 86% funded** and need to return to full-funding at 100% in order to return to Côte d'Ivoire at the end of our home assignment. If you would like to increase your current pledge or join us as a new partner, contact Debbie Taylor at 800-848-2464, ext. 2129, or at DTaylor@chog.org. Thank you for your prayerful consideration.

Home Assignment 2017 in the U.S.

Home Assignment 2017: Our first term of three years on the field came to a close in December 2016 and we headed back to the U.S. for our first home assignment. We have been visiting congregations and individuals since January and will continue through October 2017. We plan to return to the field to begin our next term in November 2017. Would you like us to share with your congregation, Sunday school class, small group, Bible study group or vacation Bible school children, or chat over a cup of coffee together? Please contact us as we are continuing to put together our schedule. You can email us at jennymihsill@chog.org or call us at 765-327-5766.

Above: We enjoyed visiting Aloha Church of God in Oregon and spending time with Pastor Tim and Janelle Irwin.

Left: Pastor Greg Kendall leads the congregation in Fresno, California, one of our Living Link churches. We had a great experience visiting the congregation for the first time!
